

ACTIV8 CODE OF CONDUCT

All participants agree to follow this basic code of conduct for the duration of their time at the ACTIV8 Pro-Life Training Week...

All participants agree to participate fully in the daily activities scheduled for ACTIV8 - including helping with any duties that may be required of them.

All participants agree to keep their sleeping areas, personal belongings, etc, tidy and contained when not in use, and to maintain basic personal tidiness and hygiene during ACTIV8.

All participants agree to show the utmost care and respect for the venue we are using for ACTIV8, and for the personal belongings of others at the event.

(It is our expectation that if damage is caused, or noticed by anyone, they will inform a member of the leadership team about the damage immediately.)

All participants agree to treat each other with respect and dignity, and to maintain reasonable and appropriate boundaries in their physical contact and speech with others during ACTIV8.

All bedroom areas are single-sex areas for the duration of the ACTIV8 Pro-Life Training Week - we would also ask that participants don't enter other people's sleeping areas without first making sure that this is okay with those using them.

All participants agree to be courteous to others, and to maintain a level of decency in their dress, speech and behaviour at all times during ACTIV8.
